Re: WMECO AMP and Revised RAAC Tariff

Dear Secretary Cottrell:

In compliance with the Department of Telecommunications and Energy's ("Department") directive in D.T.E. 05-86 (February 28, 2006), Western Massachusetts Electric Company ("WMECO") hereby files with the Department its Arrearage Management Program and an amended Residential Assistance Adjustment Clause ("RAAC") tariff, MDTE No. 1040B. WMECO has also included a redline showing the changes from the prior RAAC tariff, MDTE No. 1040A.

Please contact me or Don Bishop (617-345-1067) should you have any questions. Thank you.

Very truly yours,

Stephen Klionsky
